

Location: Altens, Aberdeen

Hours: Monday to Thursday 08:00 – 17:00, Friday 08:00 – 16:00 (occasional overtime as required)

Salary: Competitive, based on experience

Benefits: Workwear provided, company-liveried van for travel to and from work

About Us

Mototech Aberdeen Limited is a leading provider of vehicle retrofit solutions and accessory installations. Based in Altens, we specialise in fitting high-quality electrical accessories and upgrades for a range of vehicles, from passenger cars to commercial vans and pickups. Due to increasing demand, we are looking to expand our team with an additional **Vehicle Retrofit Specialist / Vehicle Accessory Fitter**.

The Role

We are seeking a skilled and experienced individual to join our team. The role will primarily be **workshop-based**, with occasional off-site work at customer locations.

Key Responsibilities:

- Installation of **electrical accessories**, including reverse cameras (OE and aftermarket), parking sensors, dash cams, trackers, and car audio systems.
- Fitting accessories for vans and pickups, such as lighting upgrades, beacons, and additional power solutions (experience in this area is advantageous).
- Diagnosing and troubleshooting electrical accessory installations.
- Working efficiently to high standards, ensuring a professional finish on all installations.
- Maintaining a clean and organised workshop environment.
- Occasionally travelling to customer sites for installations.

Who We're Looking For

- **Experience:** A strong background in vehicle electrical accessory fitting is essential.
- **Skills:** A proven track record of installing a range of electrical accessories to a high standard.
- **Qualifications:** A formal motor trade electrical qualification is desirable, but hands-on experience and ability are the priority.
- **Work Ethic:** Self-motivated, reliable, and able to work both independently and as part of a team.
- **Flexibility:** Willing to undertake occasional overtime as required.

What We Offer

- Competitive wage based on experience.
- A stable, full-time role in a growing company.
- Workwear provided.
- A company-liveried van for travel to and from work.
- A supportive and professional work environment.

If you have the skills and experience required for this role and are looking for a new opportunity, we would love to hear from you!
